

Greetings to you from Elaine and me. We trust that you all are doing well. We ourselves are doing pretty good as well, staying clear of COVID as we continue our efforts with the West End Church of Christ.

We at West end are excited about the group from Webb Chapel that is coming our way in July. We look forward to the youth coming to get their feet wet on a mission-field experience. Thanks for encouraging them to venture our way.

I also wanted to provide an update to you and Webb Chapel on the Annual Caribbean Lectureship.

The committee has decided to have the event return (as an actual event) in Grenada in 2023. The dates are July 9th - 12th 2023 and the venue is going to be the Raddisson in St. Georges.

The committee has also decided to host a Virtual Event this year (Zoom, Facebook, Youtube) from July 10th - 13th at 6:30 Eastern Standard time. The theme is A LIGHT TO THE NATIONS, taken out of Isaiah 49:1-7. We hope you will be able to join us online this year as well as in-person in Grenada in 2023. More information will be sent to you as the events draw nearer.

We are also going on a Bible tour with Dr. Bill Richardson from Harding to Greece and Turkey from May 13th to 29th. We have never been on a tour like this to Bible-oriented places and are excited about what we will see and learn.

Keep us in your prayers and thanks for your love and support.
