

NEWS LETTER FROM MEXICO

Gerardo García – January - March

Dear brothers and sisters in Christ: Carola and I are very happy to be working with the Metropolitan Church of Christ in Mexico City and we want to share with you all the great things that have happened during the months of January, February and March. The situation with Covid has getting better slowly, and it gives us the chance to start having some of the ministries in person instead of online. We still had two different church services during these months because the government would only allow a limited group of people to gather in closed spaces. We just moved to the Pink House, so that has opened a lot of opportunities to host some of the ministries and welcome groups coming from the States. We had the visit of the current AIM class and of a group from The Well, we were encouraged to see these young adults that have so much passion for serving and sharing the Gospel. We also got to attend our Melanie's wedding ceremony and reception in Queretaro. And a few weeks later she had her thyroid removed due to a suspicion of cancer. Carola got to stay with her almost two weeks helping during her recovery. Thank God the results were negative, and she is cancer free. We are so thankful for you, and we continue to ask for prayers for our family and the mission here in Mexico City.

Baptisms: In these last 3 months we had the baptisms of three new members: Elvira Alicia, Juan Carlos and Jaime Alegría. We are joyful that they accepted Jesus as the Lord and Savior.

Small Groups and Ministries: Having some ministries and small groups back in person has been very encouraging for the church members and strengthen our unity. We are joyful to see old and new faces and pray that this ministry continues to grow so we can share the gospel with more people in this city.
