

## **Blairmont Church of Christ Report**

**May 2022**

We are thankful to God for His many blessings in our lives.

Members who were down with the flu have recovered and the rest are doing well, we are thankful. Our evangelism continues.

We have a new study with someone from around my area.

Bro. Hooper and I continue to spread the gospel of Jesus Christ on the television program "The Narrow Way". The program is three days for the week.

Skype classes continue.

### **Please pray:**

For us at Blairmont that we may grow in faith

For members to be more involved in the work of the Lord

For the persons we are studying with to obey the gospel

That God may open a door for us to teach the lost the gospel message of salvation

For members who have strayed to return to the Lord

For the men to grow in maturity and be involved in the work of the church

For our relationship with each other to be stronger

That God will bring the plans we have for his Kingdom to pass, if it is His will

For the plans I am putting together for 2022

The ladies planning on starting their ladies Bible study in the month of May; please keep it in prayers. Men's training class continues

God is good to us. My wife is doing much better and for that we are thankful.
